A Toppers Tabletop Display Kit 6 is comprised of four separate graphics; a central panel, a header, and two wings.

Please prepare *separate* graphic files for each piece with a **0.25"** bleed on all four sides. It's recommended that all text and critical elements of design be kept **1.5"** away from the edge of each piece.

The center panel, with bleed, measures **40.5" × 42"**,

The header, with bleed, measures **40.5" × 11"**, with a rounded top as shown.

The left and right wing, with bleed, measure **11" × 42"**, round tapering to a **3.75"** width respectively as shown.

Design Tip!

Try to avoid using a single, continuous background or image across the central graphic panels, wings and headers as different materials reproduce color differently.
