Graphic #1579 (Entasi™ Graphic for 10' × 8' Vertical Curved Frame) measures exactly **117.63" × 105"**, please prepare the graphic at this size. It is highly recommended that text and logos be kept within the central **110.57" × 98.7"** of the canvas, as there is slight stretching of the fabric on the edges.

The projector opening is 3" in diameter. Please specify within the artwork the exact placement desired.
